Straight line down
And then we're done.
Marty Meerkat's way
To make a one.

1

Around and back
To make a two.
Yoshi Yak,
Will help you.

2

Around and around,
You've made a three.
Larry the Lion
Cannot wait to see.

3

Stick down and over,
Stick down once more.
That's Gary Geckos
Way to make a four.

4

Straight line down,
Then around.
To make a five add a top
Victor says it's time to stop.

5

Stick around
To the left.
Add a circle for a six
Uncle Urchin can do great tricks.

6

Fly across
And down to the floor.
Xander Xantus
Wants to try once more.

7

Circle on top
Circle below.
You've made an eight
Betty baboon thinks that is great!

8

A circle on top
And a line down.
Caden says that's a nine
And absolutely divine!
