- weight
- attribute
- long
- short
- tall
- compare
- more
- less
- taller
- shorter
- size
- classify
- sort
- count,
- category
- heavy
- light

## Geometry

- shapes
- square
- circle
- triangle
- rectangle
- hexagon
- oval
- rhombus
- trapezoid
- under
- over
- next to
- beside
- in front of
- between
- two dimensional
- three dimensional
- solid
- flat
- attribute
- straight
- curve
- sphere
- cone
- triangular prism
- rectangular prism
- cylinder
- cube
- sides
- faces
- vertices
- corner
- straight
- curve
- vertex

## Operations and Algebraic Thinking

- addition
- add
- subtraction
- subtract
- plus +
- minus -
- equal =
- equation
- more
- sum
- in all
- difference
- left
- join
- total
- combine
- remove
- one more
- one fewer
- decompose
- equation
- part
- whole
- make 10
- addend
- equation
- five frame
- ten frame
- fifteen frame
- counting on
- counting back

## Number and Operation- Base Ten

- compose
- decompose
- tens place
- ones place
- equation
- place value
