

# SHAPE AND NUMBER BINGO

1. Students will need to select a bingo board labeled Bingo.
2. An adult or older student will hold the call-out sheet.
3. Students will need to use markers such as pennies, cheerios, dimes, etc.
4. Call out the numbers or shapes on the call-out board.
5. Students will place markers on numbers or shapes that are called.
6. They yell out BINGO when they have four in a row horizontally, vertically, or diagonally.

## COMMON CORE CONNECTION

- ❖ K.CC.C.1 Count to 100 by ones and tens.
- ❖ K.CC.A.3 Represent a number of objects with a written numeral, 0-20.
- ❖ K.G.A.2 Correctly name shapes
